

Callout for Summer Sports at Liverpool ONE

We are looking for local sports organisations to hold children's activities on Chavasse Park as part of a Summer Sports event at Liverpool ONE.

This event will take place over the summer school holiday (approx. **19 July – 31 Aug**). We will have self-led sports activities on Chavasse Park, such as a running track & tennis court, which families can use at their leisure.

Alongside this, we're looking for sports organisations to host children's activities on either the grass or hardstanding area of the park. Different groups are welcome to run activities in the afternoon over chosen dates, creating a varied offer of sports sessions for the public to get involved with. The suitable age range can be flexible between 4-12, as can the dates and number of days each group can appear. We have budget to cover transport and reasonable expenses.

We're particularly interested in sports for girls, especially with the number of women's sports events taking place this year such as the Rugby World Cup, Euros, and Ashes.

Examples of past sports events/sessions

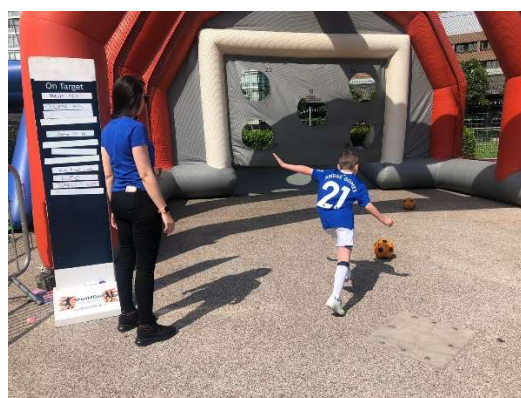

Daniel Purvis Drop-in Gymnastics Sessions

Toxteth El8te LVP 3x3 Basketball

Summer of Champions Boxing & Football Sessions

Health & Safety Documents

You would need to provide the below to cover any activities:

- Proof of Public Liability Insurance
- Risk assessment
- Proof of clear Disclosure and Barring Service (DBS) checks

If any equipment/structure is to be erected, we may also require:

- Application for a work permit (including RAMS)
- Structural specifications (e.g. weight, wind loading)

Logistics

We can provide barriers as needed to mark your required activity space, as well as vehicle access via our underground service yard.

Promotion

We would promote any sessions, as well as other activities you run, via our online channels.

We get 3 million impressions per month across our social channels over the summer period, an average of 100k users on our website per month, and push our regular e-shots out to a database of 70k.

To register your interest, please send your details and a description of your proposed activity to cerys.griffith@liverpool-one.com by **Monday 3 March 2025**.
